After Spending \$300.

Salisbury Center, N. Y., Aug. 21, 1911. A. J. Phillips, Norwood, N. Y.: Dear Sir—I wish to add a word of praise to your long list of testimonials. Last fall I had spent over three hundred dollars in doctors bills to get cured of a very bad case of rheumatism, but without relief. I could only walk as I pulled by self around. I was discouraged but your dealer here induced me to try your Famous A. J. P. Rheumatic Remedy as it had cured his little girl. I took the remedy and I can surely say now that I have no rheumatism and am able to work every day. Thanks to your famous rheumatic remedy. Sincerely yours, F. E. Lamphere.

Salisbury Center, N. Y., Aug. 1, 1916. A. J. Phillips, Norwood, N. Y.: Dear Sir—In reply to your enquiry about my rheumatism would say that I have none. I did have six years ago, but since I took your A. J. P. Rheumatic Remedy six years ago I have been entirely free from it. I know of several others that have been cured of their rheumatism with the same remedy. I shall always have a good word for the A. J. P. Remedies. Fred E. Lamphere.

To Stop Coughing at Night.

When anyone is suffering from a bronchial affliction or has a cough that lingers on and grows worse at night, the loss of sleep tends to weaken the sufferer and grows more serious the longer it is neglected. Mrs. M. Suter, 647 Longbrook Ave., Stratford, Conn., writes: "Foley's Honey and Tar has given me great relief from a severe attack of bronchitis." No medicine stands higher throughout the nation as a family remedy for colds, coughs and croup.—adv.
